WHO WE ARE

Social Impact Agenda per l'Italia (SIA) *was established to promote expertise on social impact investments and to show it is possible to create a new economy where sustainability and positive social impact are key features.*

SIA *is an inclusive and open organization that aims to connect all the different entities involved in the challenge of impact investing in Italy: investing for impact and not only for economic gain.*

Italian National Advisory Board

GSG
Driving real impact

Social Impact Agenda per l'Italia *represents Italy in the Global Steering Group for Impact Investment - GSG, an independent global steering group catalyzing impact investment and entrepreneurship to benefit people and planet.*
The GSG was established in August 2015 as the successor of the Social Impact Investment Taskforce initiated under the UK presidency of the G7.

GSG
Driving real impact

The last G20 2018 Leaders' Declaration includes an explicit recognition of impact investment as a powerful driver of sustainable and inclusive growth:

"We will endeavor to further create enabling conditions for resource mobilization from public, private and multilateral resources, including innovative financial mechanisms and partnerships, such as impact investment for inclusive and sustainable growth, in line with the G20 Call on Financing for Inclusive Business."
